**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important for everyone to have choices when choosing any kind of service, especially internet service. I am pleased with the small company I use and it is less expensive than the others in my area. As a retired person, with a fixed income, choice is essential. As each service goes up, my quality of life declines. Thank you for your consideration.
